STANDING ORDER No. 04/2013

Attention of all staff and officers of this Commissionerate is invited towards Public Notice No. 17/2013 dated 17.06.2013 regarding Guidelines for Assessment and Examination of Goods on weightment basis under the provisions of the Customs Act, 1962.

In this regard, it has been reported by trade and officers that in cases of minor variations of weight (<1%), for the purpose of recovery of duty for excess weight, these Bills of Entry are sent to group assessing officer for quantity amendment and differential duty payment in EDI system. This whole process is taking more than one working day and involves very less (excess) duty. But the process is resulting in considerable demurrage charges. To facilitate the trade, it has been decided that the differential duty in respect of these cases shall be manually paid with Cashier of Custom House Kandla/Mundra and same will be noted in departmental comments of Bill of Entry by the officer granting Out of Charge. The duty realized in such Bills of Entry shall also be maintained in register to keep record of all such cases.

Commissioner
