2. The Chairman welcomed the members and informed that no specific issues or agenda points for the meeting have been received from any stakeholder or individual importer/exporter. However, members can offer inputs and raise any issues relating to the matter of clearance of imported and export goods.

3. The Chairman pointed out that there are cases reported where port authorities have not listed the uncleared cargo for auction inspite of the fact that they remained uncleared beyond 30 days without filing Bill of Entry for Home Consumption or Warehousing.

As per Section 48 of the Customs Act, 1962, goods brought into India from a place outside India are not cleared for home consumption or warehoused or transhipped within 30 days from the date of unloading thereof at a port, such goods can be disposed of by the custodian. The Act, however, stipulates that the goods can be sold only after a notice is issued to the importer and the permission of the Customs is obtained. The Chairman advised the custodian to scrupulously follow the procedure for the disposal of the uncleared/unclaimed cargoes.

4. Further, members have sought for the training session regarding Implementation of Integrated Declaration under the Indian Customs Single Window at local level as like one held on 30<sup>th</sup> March, 2016 at Gujarat Chamber of Commerce, Ahmedabad conducted by Single Window Project Team. The Chairman has assured to conduct a training session at Kandla Custom House in order to facilitate the smooth implementation of Integrated Declaration under the Indian Customs Single Window and date for the said training session will be intimated shortly.

5. The meeting ended with vote of thanks to the Chair.
